9. Do you have any other comments to add to your evaluation?

*Please keep your comments constructive and professional, abiding by the Principles of Community*

- good teacher. lots of knowledge
- Sung Lee is a very nice man, and I can tell he cares about teaching the students to the best of his ability. However, I found other resources that were more useful than this section.
- This TA goes on tangents and strays away from main topics. Makes problems and concepts unnecessarily complicated. Would not recommend
